Allow for questions to be asked, and provide the answers to those questions. In the faces of men and women I see God, and in my own face in the glass. The socio-political transition in Estonia To understand the significance of interpreting during the transition, it is necessary to understand the political and economic environment of the period: one must understand the plethora of political and economic reforms prepared and imple- mented and the targets and goals set for future development. Stephen Jones brings with him a great deal of experience in both teaching and boarding.
