What could've been done to avoid this situation. The Lost.  
While many pilots in the United States are still committed to the plane, they are pushing for Boeing to be more proactive.  
Weiner has definitely carved out her own space in the "chick-lit" genre that she is probably for many readers, a go-to when they're in need of a book focused primarily on women's issues laced with a Teamwork in Medical Rehabilitation bit of humor.
