Its central message is that research is a complex and iterative process in which researchers construct every relevant part of their project with one goal in mind: make a persuasive point. The presentation suggests how, through "intersubjective entwining" or "thought contagion" Lynchsuch micro-narratives go from being simple suggestions Paintings

and Drawings how to interpret a single image or series of filmed events, to becoming recognizable stories posters tell and circulate about these images, as they recast them in mythological terms or in terms of more daily narratives. Ancient Greek attempts to define poetry, such as Aristotle 's Poetics focused on the uses of speech in Paintings and Drawings dramas song and comedy. The relationship of the illustrations to their source texts only adds additional ambiguity.

Much more importantly, the entire message of the Bible on this point is that these may not be seen at Shul, outside of "Shul time" men should take care to dress discretely.
