Ion Beam Modification of Materials: Selected Papers of the Ninth International Conference on Ion Beam Modification of Materials. Canberra, Australia, February 5-10, 1995: Part 1

He is, of course, best remembered for his tower in Paris, erected for the Paris Exhibition of -a grand display piece of little practical value, disliked by the majority of his contemporaries but now rightly considered a masterpiece. Maybe we're reading into things, but the faces on the dirty postcards of the past are different; from the ingenuous glances and looks into the lenses of almost years ago, to a blank neutrality during the '20s and '30s.
