## **Whispers on the Wind**

A handful of blockbusters may dominate at the multiplex and the megastore, he argues, but there's untapped potential in the vast number of books, movies and recordings that sell relatively few copies -- the so-called 'long tail' of the sales curve -- potential that can now be tapped through online retailers. Paradoxically, the online sales technologies on which the long tail depends may actually be undercutting backlist sales by squeezing them between the two poles of the market: new frontlist titles and used books, which are easier to find than ever thanks to the rise of online booksellers and search engines like BookFinder.

Melchizedek, a Jew, has money enough to cover the shortfall, but Saladin believes he is too avaricious to lend it fairly. Laurent refuses, and the messenger pulls a boy's head from a blood-stained bag -- Nicaise's head, blue eyes gouged out, earrings still on and hair still arranged with beautiful stones, with a horrified expression on his face.
